18th June 2021

Dear Parents,

It has been fantastic this week to see how much learning has taken place outdoors, with excellent engagement from the children and a high level of knowledge and understanding displayed. An excellent example was the Iroquois villages made by the Class 3 children from readily available materials near the willow tunnel area. They really enjoyed making them and were able to describe them in great detail and with great confidence.

Kind regards,

Clive Hellawell
Principal
