21st April 2023

## Message from Miss Bendall

Dear Parents/Carers,

It's been so lovely to start the Summer Term welcoming all the children back in some glorious sunshine. I hope you all had a lovely Easter break.

During the last week of term, we conducted a pupil voice survey for the whole school. The results of this were extremely positive. 94% of our children said they are proud to attend our school and 96% said they had supportive classmates. I would like both of these percentages to be 100%, however I think you'll agree it's a really positive foundation to work from.

Today I did an assembly about social responsibility and how we can all do big or little things which will make the world a better or happier place. This could be simply a smile, a hello or volunteering in the local community. On that note, I am volunteering at The Big Bark tomorrow, which is a big dog festival/dog show at The Bath and West Showground. I have been told not to bring any more dogs home though!

Have a lovely weekend.

See you all on Monday.

Miss Bendall

## Class 1 Featherlake News

Featherlake have settled back into school well and it sounds like they all had a wonderful Easter holiday. This week we have been learning about being Healthy including having healthy bodies through exercise and eating the right food and also having a healthy mind. The children took part in a germ experiment to demonstrate the importance of soap! We also had a lovely time in Forest School on a welly walk. Next week we are learning all about growing and will be spending time planting seeds and getting our poly tunnel ready.

## Class 3 Quantock News

What a fantastic start to the summer term we have had! The first week back is always very exciting and it's been lovely to return to lots of news about birthday surprises and puppies! In science, as part of our topic on plants, we are going to observe the growth of root systems by planting broad beans and explore what plants need to grow as part of our 'Tallest Sunflower' competition. We've immersed ourselves in two fabulous books: Marcy and the Riddle of the Sphinx for guided reading and The Cloud Tea Monkeys for writing, both of which have already inspired some lovely writing.

## Class 4 Bucehayes News

It has been lovely to be back in class in the summer sunshine. We are continuing our learning about the Early Islamic Civilisation and Muslims for a few more weeks into this term. We have started a new music unit Madina Tun Nabi and a new computing unit on vector drawing.

We will be keeping to a normalish timetable over the next few weeks but some of our Maths and English lessons will be revision and preparation for the SATs assessments so the children are calm and confident. I thank you in advance for ensuring that when the children are in school they are feeling wide awake and not suffering from late nights and bank holiday festivities.
