## Message from Miss Bendall

Dear Parents/Carers,

Year 6 have worked exceptionally hard this week. In completing their KS2 SATs, they have shown determination, resilience and courage. We are very proud of them all. Thank you to all of the children in the school who have been extra quiet and respectful so Year 6 can give their full concentration.

Featherlake class thoroughly enjoyed their trip to the sheep show on Wednesday. A big thank you to the Derryman family for our invite and to our lovely volunteers who accompanied the class to the show.

Next week, Class 3 and Class 4 will be visiting Queen's College in Taunton to watch a performance of Mary Poppins. Queen's invited us and are providing transport too which is a fantastic opportunity for our Key Stage 2 children.

As I write this, the sunshine is glorious- long may it continue.

Have a lovely weekend.

Miss Bendall

## Class 1 Featherlake News

Featherlake had a wonderful day on Wednesday at the Sheep Show. Our lovely steward showed us around and explained about the different breeds of sheep and also how some of the equipment worked. We had a private tractor and trailer ride around the farm. We watched part of the young shepherd competition which included shearing and a quad bike ride. The children absolutely loved it. When asked about their favourite parts of the day the tractor ride, ice cream and mud were the most common answers. A massive thank you to the Derryman family for hosting and inviting us. We hope it doesn't take too long for your fields to recover!

## Class 3 Quantock News

We've been busy investigating instructional writing this week - look out for extracts of our instructions in next week's newsletter!

Our beans are shooting up and we're looking forward to transferring them into pots next week. We will also complete our planting of sunflowers and potatoes too.

Quantock class are really enjoying their learning about ancient Egypt. This week we have found out fascinating facts about the building of pyramids, different Egyptian pharaohs and have begun to design a sarcophagus each.

## Class 4 Bucehayes News

Well what a wonderful week of cake and sweet treats we have had. I don't think my offering of supermarket biscuits quite hit the mark so several of the children took the issue into their own hands and baked some excellent cakes and cookies for our class to share. The reason for the treats being a few tests that Year 6 had to do, which they did with a great attitude and super amount of effort. I will also say a big thank you to our Year 5's who have been very sensible taking their learning to different locations around the school in the mornings this week. I can't wait to see their finished picture books, the bits I have seen so far look brilliant.

Our afternoons have been busy with our Art unit on mono-printing creating a zine, painting papers to collage with and then using carbon copy paper to print extra details onto the pages. It has been a very enjoyable and creatively messy way to spend the afternoons.
