

# STOCKLAND C of E PRIMARY ACADEMY

23rd June 2023

## Message from Miss Bendall

Dear Parents/Carers,

A short one from me this week...

Wow! What an incredible morning full of smiles and perfect weather. We have seen our school values in action alongside resilience and commitment. It was an absolute joy to watch all the children taking part and encouraging each other.

Thank you for attending and making it such a lovely event.

Have an amazing weekend.

Miss Bendall

## Class 1 Featherlake News

The children in Featherlake have been learning how to rhyme this week, they have played a rhyming partner game and have also been writing some fabulous rhyming sentences. In Maths they have been recapping their number bonds up to 5. The children have been discussing photos of seaside holidays from the past and have made some great observations about similarities and differences. They have been incredibly excited about their first Sports Day, didn't they do brilliantly!

Date: 26.6.2023

## Class 2 Horner News

This week in guided reading, we have been reading Grandad's Island. We have been very excited to find out what happens on the next page each day and to find out what was behind Grandad's magical door. We are just waiting to find out how Syd manages to get home after Grandad decides he wants to stay on the island with the animals.

### Class 3 Quantock News

Firstly, a huge well done to everyone who carried out a science experiment for the virtual science fair. From giant bubbles to parachutes and elephant toothpaste to the iron content in breakfast cereals, the quality of the investigations was fantastic - I'm glad I'm not judging!

Earlier this week we conducted our own investigations to compare the way in which different surfaces affect how far toy cars travelled as part of our topic on Forces and Magnets. We also had a fantastic presentation from the Fire Service, with lots of recaps and reminders on how to keep ourselves safe in different situations, including coastal walks, car journeys and of course, fire safety!

You may remember that Quantock Class put out a request for some help with planters for our outdoor areas a while ago. We were thrilled to receive a donation from the Stockland Education Trust for £100 which has been safely banked while we wait for quotes to come back.

## Class 4 Bucehayes News

This week started with Jamie, William D and Rafe representing the school at a Redstart Trust Public Speaking Competition. This was held at the WPA Health Insurance offices in Taunton which was a lovely opportunity to see a work place and we were given a tour as part of the morning. The boys spoke confidently on the subject of "Does this generation have enough good role models?" The class had all contributed to this speech through writing their own and we took good bits from all of them and combined for the final speech.

We have continued rehearsing for our summer play; Wendy has been in to help us really bring the characters to life. Thank you to all of you for sending costumes. There are some brilliant creations that will really make for a colourful performance. **The performances are on Tuesday 27th June at 2pm (arrive 1:45pm) and at 6:30pm (children back in school for 6pm).** We are performing outdoors on the school field, there will be limited adult sized chairs so some of you may wish to bring your own chairs. Fingers crossed for the weather, not too hot and not raining. The forecast looks OK at the moment.

# GOREN FESTIVAL

**30th JUNE-2nd JULY STOCKLAND EX14 9EN**

Join us again in the wildflower meadows, at this family friendly, nature orientated festival. With 2 nights camping, live music and dedicated Nature Zone. Local independent stalls, food, performers and more.

[gorenfestival.co.uk](http://gorenfestival.co.uk)

This is our 6<sup>th</sup> year organising a family friendly, nature and music festival in Stockland at the end of June.

It is set on a 70-acre wildflower farm of meadows, woodlands, and streams. Various wildlife & conservation experts will be coming along to do presentations on the Saturday morning and lead nature tours, bat walks, moth trapping etc through the meadows.

There will be loads of nature-based children's activities, forest school and workshops. Mown paths through the meadows, a bar, camping, artisan street food vendors and trade stands, as well as live bands playing on stage in the barn.
