

STOCKLAND C of E PRIMARY ACADEMY

8th September 2023

Message from Miss Bendall

Dear Parents/Carers,

What a lovely week it's been! Not only has the weather been wonderful, it has been fantastic to see all of the children returning to school with such enthusiasm. Our new Reception children walked in with confidence and have had a great week too.

I popped around to all classes on Wednesday before break and saw all classes settled in so well and already enjoying their learning. Our new shelter at the back of Class 2 is nearing completion. This area is going to completely enhance the provision offered in Key Stage 1 and provide a much needed covered outside space. Thank you to Nick Bentley for building such a great shelter and the PTA for funding it all. We'll invite you all in to see it when it is complete.

Thank you for all of the supportive comments on the gate-to quote one parent this week who said to me 'Stockland is such a lovely school- you should be proud' - I certainly am!

I hope you all enjoy the sunshine this weekend and we look forward to seeing you on Monday.

Kind regards,

Miss Bendall

Back to school party!

The PTA have rearranged last term's rained off Summer Party to next Friday 15th Sep - this time we can bring the fun inside if the sun disappears. For all years, siblings welcome, payment via ParentPay. If you had already paid for the Summer Party last term your payment will be transferred over, if you are not please just ask!

We really need helpers to put on events for the children, incl Halloween disco and Christmas fair - if you could help out (decorating events, at the door, activities, serving snacks) pls let know.

Class 1 Featherlake News

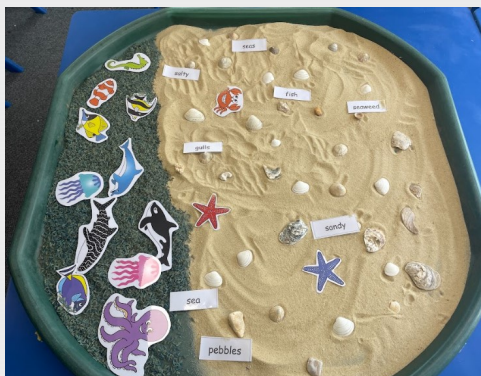

Featherlake have settled in so incredibly well this week, they have been amazing! They have had lots of exploring time to get used to the classroom, have chosen their first stories from the library and created lots of pictures and paintings.

Class 2 Horner News

We have had a fun filled few days in Horner Class. This half term, we will be reading the Storm Whale so have lots of sea themed activities in the afternoons. The children have enjoyed making whale stencils, beach pictures and created art using a technique called wax resist. They also explored our seaside themed tuff tray and spent lots of time making new friends and getting to know the classroom.

Class 3 Quantock News

What a great start to the new school year we have had in Quantock Class. The children have created the most fabulous kennings about themselves and painted super Roman shields to place in their topic books. They collaborated brilliantly to produce reference book style pages all about the Roman invasion of Britain for display and all have settled in wonderfully. We'd particularly like to welcome Hazel, who despite only arriving yesterday is also settling in wonderfully.

Next week, we're really looking forward to our walk on Quantock Turbary and keeping our fingers crossed for dry but slightly cooler weather. Finally, our class reader this term is 'The Miraculous Journey of Edward Tulane' by Kate DiCamillo and we are already gripped!

Class 4 Bucehayes News

We have had a lovely start to the year with the children all keen and happy to contribute to class discussions, work hard and do their best. Hopefully enjoying ourselves along the way. We have drafted and started to create our I am poems, we have enjoyed our first music, geography and science lessons.

They have shown some great understanding of place value in our maths lessons. The children showed great team working skills and resilience when building bridges in PHSE.

It has been lovely getting to know all our Year 5 children this week.
