

STOCKLAND C of E PRIMARY ACADEMY

7th July 2023

Message from Miss Bendall

Dear Parents and Carers,

We have all had a lovely morning in our new classes. I could see how much the children enjoyed it.

Your child will be bringing home their end of year report today. As I was writing my comments on the reports, it was a pleasure to read everything the class teacher has written about your child. It is clear to see how well they know them. I certainly enjoyed reading the children's comments too. They really made me smile. The reports are a real celebration of everything your children have worked so hard for this year.

If you have any questions about the report, please email the office to make an appointment with the class teacher.

Year 5 and 6 are off on their residential trip to Pixies Holt next week, let's hope the sun shines for them.

Have a lovely weekend.

Miss Bendall

Stars of the week Values of the week

Class 1	Featherlake	
	William	Freya
Class 2	Horner	
	Ruben and Rebecca	Nellie
Class 3	Quantock	
	Henry (Y3) and Joe (Y4)	Millie H
Class 4	Bucehayes	
	Emily and Sally	Harriet

This school is part of the The Redstart Learning Partnership, a Multi Academy Trust of primary schools in Somerset.

Key Dates:

- Friday 7th July—end of year reports
- Friday 7th July—transition morning
- Wednesday 12th July—
Class 2 trip to Lyme Regis
- 10– 14 July Pixies Holt residential Class 4
- Friday 21st July—End of Term

Head of School: Beccy Bendall

Safeguarding

Our Designated Safeguarding Lead is Miss Beccy Bendall and our Deputy Designated Safeguarding Leads are Miss Natalie Martin and Miss Rachel Smith.

Our school's Child Protection and Safeguarding Policy can be found online at:
<https://stocklandprimary.org.uk/wp-content/uploads/2022/09/Stockland-Primary-Safeguarding-Policy-2022-23-Final-Signed-DHC.docx-Google-Docs.pdf>

If you have any concerns about the safety of a child you can either talk to our DSL or DDSL or you can phone Devon MASH on 01392 384964 or email our safeguarding inbox; stocklanddsl@redstartpartnership.co.uk

Sunhats and Sun cream

Please send your child in to school with a sun hat. Children also need to have sun cream applied at home before they come to school.

TTRS and Numbots

Numbots - Maggie, Toby, Harry L

TTRS Improvement in Studio Speed - Freddie S, Harry E, Megan

PTA Summer Party

Next Friday on 14th July the PTA will hold a summer party at the village hall. Open to all years, and siblings there will be music, games, refreshments for everyone. It was a lovely social occasion last year and we hope lots of parents will also join. £5 entry per child will include hot dog and drinks, booking through ParentPay - children will need adult supervision.

Class 2 outside space - DIY helpers needed in summer

We're spending a huge chunk of our fundraising from recent years transforming the space outside the back of Class 2 (Horner Hill class). With works to be carried out this summer holiday to build a large shelter, there are lots of other tasks to finish the space including fencing, putting up trellises and sheds, and laying astroturf. We could probably blitz a lot of this in one day and together make a huge difference. If you think you could spare a day later in the summer holidays let us know and we'll get in touch nearer the time. Contact stocklandpta@gmail.com.

Family Service

Our next Family Service will be held from 11-11.30am on 16th July. As you know, everyone is very welcome to join us at these short family-friendly services and there is the option to stay for refreshments afterwards too. There will be no Family Service at Stockland during August but the other Sunday services continue as normal for that month.

Class 1 Featherlake News

I think it's safe to say Featherlake had a fabulous time during our seaside day, they all looked amazing. The rain definitely didn't dampen their spirit! The children all made a campervan, sand art and clay models. There was beach yoga, throwing and catching but unfortunately only pretend water fights this time! The children enjoyed lots of seaside stories and snacks and finished the day watching The Snail and the Whale with a chocolate bar! A wonderfully, perfect day!

We were very thankful to have Ella, our work experience student, with us for the day, thank you very much for all your help!

Date: 10.7.2023

Class 2 Horner News

This term we have been learning about Mary Anning. We have sequenced her life, wrote a character description, and thought about who the most important people to Mary were. This week we have been pretending to be historians. We analysed different historical sources to try and work out why we know so much about Mary Anning when she lived 200 years ago. We then matched the sources to a selection of facts about Mary Anning. We are very excited for our school trip next Wednesday to Lyme Regis to learn even more about Mary Anning and examine some artefacts.

Horner Class Weekly Plan: Summer

WB: 10/07/23

	Monday	Tuesday	Wednesday	Thursday	Friday

Afternoon sessions	Science – Plants PSHE – Who can help?	PE		History – Mary Anning Computing – Grouping Data	DT – Wheels and Axles.

Please note this timetable is subject to change dependent on the children's needs.

Class 3 Quantock News

As always, science was one of our favourite activities this week. We spent some time investigating which materials were attracted to magnets. I think the most amazing discovery we made was that some two pence coins are magnetic and others aren't, depending on how old they are! Thank you Harry E for finding that out.

We also started writing our 'nightmare tales' based on the slightly scary, but very funny book 'The Wolves in the Walls' by Neil Gaiman. Here are a couple of first draft extracts:

Megan (Y3)

'When I got back from school Mum was making dinner and dad was playing the guitar. Oh yes, my little brother was day dreaming. When I went to bed that night I could hear gorillas opening and shutting the door of my bedroom cupboard. Suddenly, I saw a black hand flash out and go back in! I ran into my mum and dad's room and told them. Mum said it was a black ball falling out of the cupboard and dad said I was day dreaming like my brother.'

Henry (Y3)

Scrape, scrape, scrape. Kieran heard the scrape of serrated claws. Suddenly, in the blink of an eye, Kieran scrambled over the sofa and darted to Mum. "Mummy, Mummy," wailed Kieran. "What is it honey?" replied Mum. "I heard cheetahs in the chimneys," complained Kieran. "You're probably tired and you know what they say...when cheetahs are in the chimneys, you are doomed!" And off Kieran went in a grunt.

Isla (Y4)

That night, as Ash sprawled across the sofa, it sounded as if something was scuttling around the cushions. Then it hit her. Spiders! Creepy, crawly spiders. There were SPIDERS IN THE SOFA. If one thing was for sure, Ash wasn't gonna wait for the spiders to reach out with their spindly legs and eat her up!

Next week, we look forward to editing and presenting our final drafts. We're also really excited about the art day we will be having on Wednesday when we will be constructing 'Plinth People' as part of our topic on sculpture.

Class 3 Quantock Timetable

Class 4 Bucehayes News

Another fun filled week. Making exploding books to keep our memories of the year, learning circuit symbols and how to draw circuits in science, and how to pay the bill in a Spanish cafe. The children worked really hard and showed great problem solving and resilience creating their DT project fairground rides. They then added the circuits and crumble controller and components to make the rides move, light up and some with noise!! Thursday was spent focusing on chocolate (always a good thing), learning about the production, trade and fair trade of this commodity. We are finishing the week with a transition morning where I am really looking forward to welcoming the new Year 5s into Bucehayes. After break, we are then finishing our Spanish cafe unit with a joint cafe experience with Quantock.

There is no timetable this week as next week is Pixie's Holt!
