

STOCKLAND C of E PRIMARY ACADEMY

14th July 2023

Message from TRLP

As we near the end of this academic year, there is a huge amount upon which to reflect. Across a trust of 10 schools, we have had no less than four full Ofsted inspections, plus an Ofsted monitoring visit and a church school inspection. As I'm sure you will have seen in the press, following the tragic death of head teacher Ruth Perry, the pressure on school leaders and staff during inspections is a huge additional burden to staff already working at full stretch. It is a powerful testament to our staff's dedication and professionalism that they have performed to such a high standard throughout, keeping the children's needs and well-being always at the forefront of their thinking, planning and delivery.

This is all set against the context of the momentous changes for The Redstart Learning Partnership. On 3rd July the Regional Director for the DfE approved the proposed changes that will see our schools transferring to The Cabot Learning Federation (CLF) and the Academies for Character and Excellence (ACE) at the beginning of January 2024. During the autumn term there will be further consultations with staff and a large amount of legal work which will take place in the background.

Continued overleaf

Stars of the week Values of the week

Class 1	Featherlake	
	Ben	Toby
Class 2	Horner	
	Barnaby and Kitt	Poppy
Class 3	Quantock	
	Harry (Y3) & Harry (Y4)	Danny
Class 4	Bucehayes	

This school is part of the The Redstart Learning Partnership, a Multi Academy Trust of primary schools in Somerset.

Key Dates:

- Monday 17th July—Trust Year 6 Leaver's Day at Taunton School
- Tuesday 18th July—Year 6 trip to Crealy
- Friday 21st July—Stockland Year 6 Leaver's Service (2.15pm) at Stockland Church
- Friday 21st July—End of Term

TRLP Parent Newsletter of 2022/23 Academic Year continued

Please be assured that you will see no disruption to your children's education through these changes. The day-to-day running of the schools will remain the same, there will be no uniform changes and there will be no more staff changes than in any other year. As I've said in previous communications, the rationale for this move is for the sustainability, expertise and resource that CLF and ACE can bring to enable our schools to progress further on their learning journey.

All this has in no way diminished activities in our schools. The instigation of the trust-wide debating contests has been a tremendous success, our students demonstrating an impressive depth of understanding and knowledge of the key issues facing our society and planet. The children were able to articulate and debate these matters confidently and fluently – a real cause for celebration and pride. I am not going to list all the achievements in sport, art and extra-curricular activities or this article would turn into a small novel! Suffice is to say that we are enormously proud of children and staff for all that has been achieved this year.

Thank you for all your support during this year. I hope that everyone is able to enjoy a happy, healthy and restful summer break when it comes, and return refreshed in September. For those of you whose children will be moving on to secondary school, we hope that they will have an enjoyable and successful continuation to their educational careers and have good primary school memories to draw upon.

On behalf of The Redstart Learning Partnership

Message from Miss Bendall

Dear Parents/Carers,

What a week of lovely events and experiences! Years 5 and 6 have had an absolutely amazing time at Pixies Holt residential. I went down to see them on Wednesday night, had dinner with them and saw exactly what an excellent time they were having. I think they might be pretty tired this weekend!

Class 2 had a wonderful time in Lyme Regis. The weather was kind to them and they were able to share their fantastic knowledge of Mary Anning and fossils at the museum. As I greeted them off the coach, one child said it was the best day ever!

We were visited today by staff from Honiton Library who launched their Summer Reading Challenge, please do get involved. More information is included later on in the newsletter.

Have a lovely, relaxing weekend.

Miss Bendall

Safeguarding

Our Designated Safeguarding Lead is Miss Beccy Bendall and our Deputy Designated Safeguarding Leads are Miss Natalie Martin and Miss Rachel Smith.

Our school's Child Protection and Safeguarding Policy can be found online at:

<https://stocklandprimary.org.uk/wp-content/uploads/2022/09/Stockland-Primary-Safeguarding-Policy-2022-23-Final-Signed-DHC.docx-Google-Docs.pdf>

If you have any concerns about the safety of a child you can either talk to our DSL or DDSL or you can phone Devon MASH on 01392 384964 or email our safeguarding inbox;

stocklanddsl@redstartpartnership.co.uk

Sunhats and Sun cream

Please send your child in to school with a sun hat. Children also need to have sun cream applied at home before they come to school.

Class 2 outside space - DIY helpers needed in summer

We're spending a huge chunk of our fundraising from recent years transforming the space outside the back of Class 2 (Horner Hill class). With works to be carried out this summer holiday to build a large shelter, there are lots of other tasks to finish the space including fencing, putting up trellises and sheds, and laying astroturf. We could probably blitz a lot of this in one day and together make a huge difference. If you think you could spare a day later in the summer holidays let us know and we'll get in touch nearer the time. Contact stocklandpta@gmail.com.

Family Service

A reminder that this month's family service is at 11am on Sunday. We look forward to seeing you there.

Numbots: Barnaby, Jess, James

TTRS: Freddie S, Megan, Millie H

Summer Reading Challenge

Your child is invited to sign up for this year's Summer Reading Challenge. Sign up at your local library!

What is the Summer Reading Challenge?

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy anything they like to read! Children aged 4-11 are invited to set a reading goal, and collect rewards for their reading.

It's FREE to take part, and last year 75% of children taking part improved their reading skills over the holidays.¹

Why should my child sign up?

They will be better prepared to return to school in the autumn.

The Challenge supports the move into a new year group.

Becoming more independent in their reading boosts children's confidence and self-esteem.

The library provides free access to books and fun family activities all through the summer.

Library staff are on hand to offer support and book recommendations.

Your child will be part of a UK-wide programme developed by The Reading Agency and delivered in partnership with the public library network.

How can my child take part? (Library OR online)

In the library. Visit your local library and sign up. Your child will:

Set a reading goal for the summer and borrow and read books, eBooks and audiobooks. Your child can choose anything they like to read!

Receive a Challenge folder and collect special stickers and rewards for reading.

Online. Take part online at summerreadingchallenge.org.uk

Sign up on the official Challenge website.

Set a reading goal and get tips for accessing books for free at home.

Unlock digital badges and online rewards, including a printable certificate.

When?

Throughout the summer holidays. Check with your local library to find out start & finish dates near you. Unsure where your closest library is? Use the Library Finder to check.

Head to your local library this summer and sign up!

Class 1 Featherlake News

Featherlake created night sky collages this week. They started by creating a wax resist painting including stars, the moon and bats. They then used different shapes to create a house and added this onto their background. They look fabulous! The watercolours were left out for the children to use independently and some of the children have created lovely paintings.

Class 2 Horner News

On Wednesday we had a fabulous day at the Lyme Regis Museum learning all about Mary Anning and her remarkable discoveries. We visited the museum which stands on the site of her first home and fossil shop and learnt about her ground breaking discoveries, including her top 5 finds. We found out about Ichthyosaurs, Plesiosaurs and Dimorphodons and how these amazing creatures evolved and interacted. We visited Mary's statue and took a short walk to see key sites in the town and the beaches where Mary went fossil hunting. We loved the trip and it was a wonderful way to end our history unit on 'Mary Anning.'

Please note this timetable is subject to change dependent on the children's needs.

Class 3 Quantock News

This week we've been busy designing and making 'Plinth People' for our art project this half term. We learned what plinths were and looked at various sculptures that have been displayed on the fourth plinth at Trafalgar Square. We then explored the works of Thomas J Price, Sculptor whose works capture everyday life. We devoted Wednesday to creating our own characters, based on our own hobbies and ambitions.

The process involved creating wire 'skeletons' which we then wrapped in strips of plain fabric to create the 'body'. Both these processes were really tricky and involved a lot of perseverance and resilience - fortunately, Quantock class have both these qualities in bucket loads! The children then dressed their plinth people using a variety of scrap fabrics. Collaboration was the key here: sharing fabrics, helping each other thread needles, etc. before finally attaching their characters to plinths made of Plaster of Paris.

Have a look at some of the finished results. Quantock class are, quite rightly, immensely proud of their sculptures, as indeed, am I.
