

# STOCKLAND C of E PRIMARY ACADEMY

21st July 2023

## Message from Miss Bendall

Dear Parents/Carers,

What an incredible year we have had. We are so proud of how far we've come.

Our statutory assessment data is very impressive across the school. 93% of children passed the phonics screening test. 82% of children in Year 4 showed a good level of recall in their Multiplication Tables Check- up from 45% last year.

However, even more important than that, is how much the children have grown in confidence and how they demonstrate our school values every day at school and in the wider world. We couldn't ask for more! All of our children here have experienced so many fun learning opportunities and experiences this year. From Pixies Holt residential to Mary Poppins at Queens, from theme days to Crealy, from Lyme Regis to the Sheep Show.

With the end of an academic year, we always have to say goodbye. We wish our Year 6 children all the luck for their next school. I know they will all go on to achieve great things. We will miss you.

I would like to say a big thank you to Dave Webb who has been part of the Core Group for the last 4 years. Dave, thank you for being incredibly supportive of the school.

Thank you so much for all of the lovely cards, messages and gifts. It really is so appreciated.

Thank you to you all for your support- it means everything to us all.

Have a wonderful break and we look forward to seeing you all on Wednesday 6th September.

Kind regards,

Miss Bendall

## **Class 2 outside space - DIY helpers needed in summer**

We're spending a huge chunk of our fundraising from recent years transforming the space outside the back of Class 2 (Horner Hill class). With works to be carried out this summer holiday to build a large shelter, there are lots of other tasks to finish the space including fencing, putting up trellises and sheds, and laying astroturf. We could probably blitz a lot of this in one day and together make a huge difference. If you think you could spare a day later in the summer holidays let us know and we'll get in touch nearer the time. Contact stocklandpta@gmail.com.

## **After School Clubs—Autumn Term**

Details will be given of the clubs on offer and options to book in the first week of next term. They will start again on Monday 11th September.

## **Cake tin**

Has anyone seen a cake tin with ducklings on it? It has gone missing from the school and the owner would very much like it to be returned. Just in case it's got muddled up with anyone else's or is inside another tin recently returned from school!

## Summer Reading Challenge

Your child is invited to sign up for this year's Summer Reading Challenge. Sign up at your local library!

### What is the Summer Reading Challenge?

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy anything they like to read! Children aged 4-11 are invited to set a reading goal, and collect rewards for their reading.

It's FREE to take part, and last year 75% of children taking part improved their reading skills over the holidays.<sup>1</sup>

### Why should my child sign up?

They will be better prepared to return to school in the autumn.

The Challenge supports the move into a new year group.

Becoming more independent in their reading boosts children's confidence and self-esteem.

The library provides free access to books and fun family activities all through the summer.

Library staff are on hand to offer support and book recommendations.

Your child will be part of a UK-wide programme developed by The Reading Agency and delivered in partnership with the public library network.

### How can my child take part? (Library OR online)

**In the library.** Visit your local library and sign up. Your child will:

Set a reading goal for the summer and borrow and read books, eBooks and audiobooks. Your child can choose anything they like to read!

Receive a Challenge folder and collect special stickers and rewards for reading.

**Online.** Take part online at [summerreadingchallenge.org.uk](https://summerreadingchallenge.org.uk)

Sign up on the official Challenge website.

Set a reading goal and get tips for accessing books for free at home.

Unlock digital badges and online rewards, including a printable certificate.

### When?

Throughout the summer holidays. Check with your local library to find out start & finish dates near you. Unsure where your closest library is? Use the Library Finder to check.

Head to your local library this summer and sign up!

## Class 1 Featherlake News

Featherlake have had a fabulous last week of school, lots of fun activities have been completed including our Teddy Bear's Picnic. All the children in Featherlake have come so far this year and you should all be very proud of their achievements, we are! They have aced their first year at school and we cannot wait to see how they all do as they move up into KS1. We hope they have a very well deserved holiday, they are definitely looking like they are ready for a very big sleep...I will keep my fingers crossed for your lazy mornings!

## Class 2 Horner News

This week has been very exciting and busy with transition sessions and making out own wheeled vehicles. It was lovely to welcome the reception children into Horner class on Wednesday morning and we had lots of fun in our cardboard village, counting pom poms and feathers and cutting out patterns.

We have had great fun this week building and painting our own model vehicles. Here are some photos of our models. It has been a wonderful way to end the year and I wish you all a wonderful summer and I look forward to welcoming you back in September.

### **Class 3 Quantock News**

Here we are, the end of the year! Like all of you, I am so very proud of all my Quantockers - they have worked incredibly hard, shown amazing perseverance and determination to do their best and most importantly, had tremendous fun along the way too. Each and every member of the class fully deserves both star and values awards this week. Year Four are absolutely ready for their move into Upper Key Stage 2 and Year Three have been brilliant leaders over the last couple of weeks during our transition sessions.

I wish you all a very happy and restful summer break and very much look forward to September.

### **Class 4 Bucehayes News**

What a wonderful year we have shared together. A lot of hard work, learning, amazing experiences and a lot of fun and laughter along the way. We have sung in a Cathedral, we have climbed to the top of Dartmoor, we have thought about our environment, our human rights, diversity, we have enhanced our understanding of the solar system, our planet and the people that inhabit it. I am very proud of each individual of Bucehayes class and the progress in learning and growing as a person that they have achieved this year. I hope you all have a lovely summer break and I wish all the Year 6 the best for their next schools.

### **Stars of the Week and School Values**

All of Year 5 as they have been amazingly kind and considerate when myself and the Year 6 have been involved in various activities. They have just got on with other work, helped around the school, covered the duties and just been super stars.

## **And finally, a HUGE THANK YOU**

Last, but my no means least, thank you to all our Year 6 parents who have very kindly contributed towards a beautiful new wooden bench for the top of our field.

It will be very well used and it is greatly appreciated by all of us.

Wishing Year 6 leavers all the best for your new ventures!
