

STOCKLAND C of E PRIMARY ACADEMY

30th June 2023

Message from Miss Bendall

Dear Parents/Carers,

The weeks are certainly flying by. It's been a great week here with so much going on.

Thank you to everyone who came into school this morning to see their children's books. It was lovely to see children talking about their learning and being proud of their work too.

Year 5 and 6 performed brilliantly on Tuesday in 'A Midsummer Night's Dream.' As I explained on the night, there is definitely a career on stage waiting for our students! They performed brilliantly and had perfect comic timing!

I will write to you next week with details of staffing and class structure. Please be rest assured, we will be keeping 4 classes next academic year. I feel this is fundamental for our school as we continue our journey of improvement and also try to grow the school.

There are so many events to look forward to in the last few weeks, transition sessions with new teachers, trips and lots of end of term fun!

Thank you as always for your support. We really do appreciate it.

Have an amazing weekend.

Miss Bendall

Stars of the week Values of the week

Class 1	Featherlake	
	Isla	Maggie
Class 2	Horner	
	Paddy, Abigail	Seb
Class 3	Quantock	
	Thomas (Y3), Isla (Y4)	Alfie
Class 4	Bucehayes	
	Tilly, Harry	Nelly

This school is part of the The Redstart Learning Partnership, a Multi Academy Trust of primary schools in Somerset.

Key Dates:

- Friday 7th July—end of year reports
- Friday 7th July—transition morning
- Wednesday 12th July—
Class 2 trip to Lyme Regis
- 10– 14 July Pixies Holt residential Class 4
- Friday 21st July—End of Term

Head of School: Beccy Bendall

Safeguarding

Our Designated Safeguarding Lead is Miss Beccy Bendall and our Deputy Designated Safeguarding Leads are Miss Natalie Martin and Miss Rachel Smith.

Our school's Child Protection and Safeguarding Policy can be found online at:
<https://stocklandprimary.org.uk/wp-content/uploads/2022/09/Stockland-Primary-Safeguarding-Policy-2022-23-Final-Signed-DHC.docx-Google-Docs.pdf>

If you have any concerns about the safety of a child you can either talk to our DSL or DDSL or you can phone Devon MASH on 01392 384964 or email our safeguarding inbox; stocklanddsl@redstartpartnership.co.uk

Sunhats and Sun cream

Please send your child in to school with a sun hat. Children also need to have sun cream applied at home before they come to school.

TTRS and Numbots

Harry, Henry and Millie
Maisie-May, Maggie and Jack

PTA Summer Party

We will be holding a summer party at the village hall on Friday 14th July. Open to all years, and siblings there will be music, games, refreshments for everyone. It was a lovely social occasion last year and we hope lots of parents will also join. £5 entry per child will include hot dog and drinks, booking through ParentPay - children will need adult supervision.

Duck Race

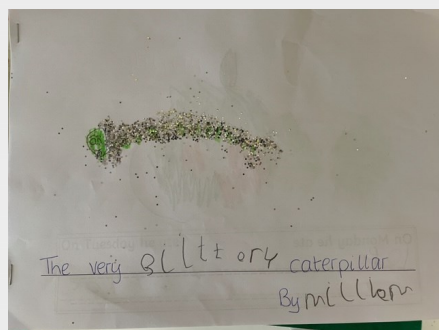

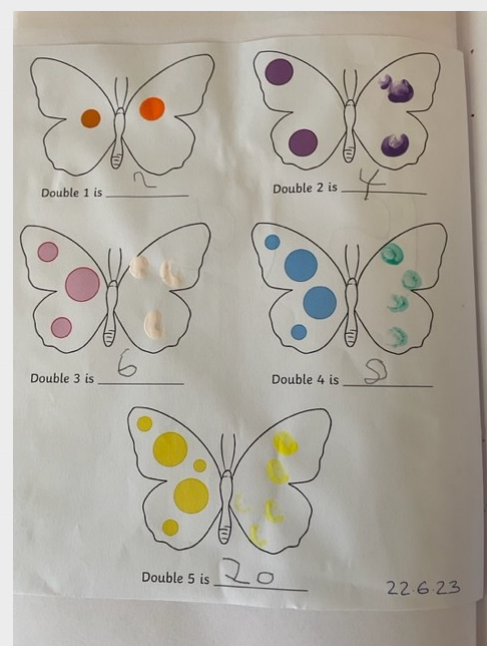

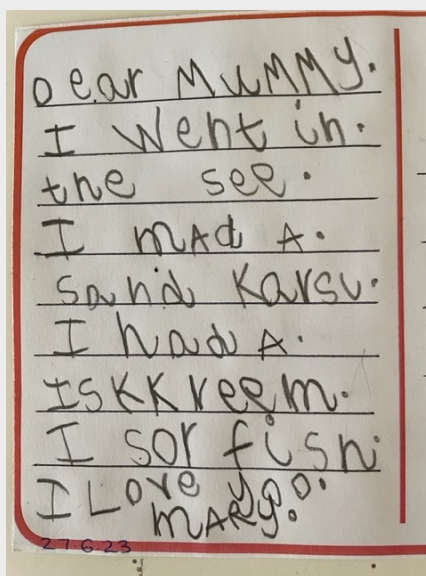

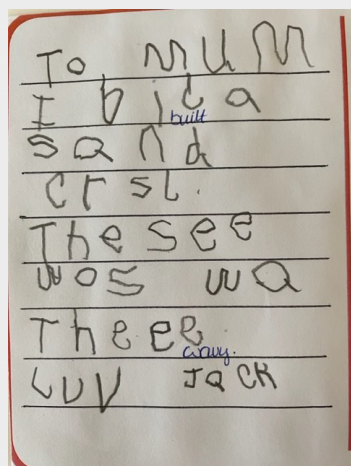

Thanks to all who supported the duck race last weekend. It was a really fun day with some fabulous prizes, and has raised over £2,000 to be shared between school, Stockland Yarcombe Pre-School and the Yarcombe Children's' Fund.

Class 2 outside space - DIY helpers needed in summer

We're spending a huge chunk of our fundraising from recent years transforming the space outside the back of Class 2 (Horner Hill class). With works to be carried out this summer holiday to build a large shelter, there are lots of other tasks to finish the space including fencing, putting up trellises and sheds, and laying astroturf. We could probably blitz a lot of this in one day and together make a huge difference. If you think you could spare a day later in the summer holidays let us know and we'll get in touch nearer the time.

Class 1 Featherlake News

Featherlake have been brilliant this week, they are becoming so much more independent with their writing and maths. They have been writing postcards and making sun safety posters, subtracting in maths and there has even been some independent doubling! It is safe to say the children loved showing you their work this morning, they have been saving their own versions of The Very Hungry Caterpillar to share with you in person. Next week we are moving on to Pirates and we have our very special seaside day on Tuesday.

Date: 3.7.2023

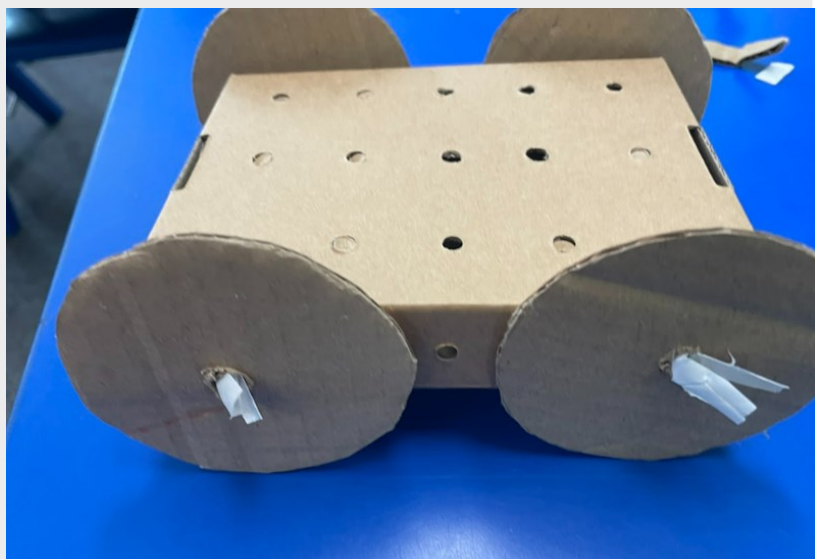

Weekly Theme: Pirates

Book: Polly Parrot Picks a Pirate/ The Pirates Next Door

Class 2 Horner News

This week in DT we practiced making wheels and axles out of paper and cardboard. We are very excited to design our own vehicles and then make them with wooden wheels and axles the following week. Thank you to everyone for bringing in lots of small cardboard boxes for us to use.

Horner Class Weekly Plan: Summer

WB: 03/07/23

	Monday	Tuesday	Wednesday	Thursday	Friday

Year 2: I can construct a block diagram.	Year 1: I can recognise £2. Year 2: I can describe position.	Year 1: I can recognise a £5 note. Year 2: I can describe movement.
Afternoon sessions	Science – I can identify crops. Music: Come and Dance with me	PE	RE - Music Music – Come and Dance with Me	History – Mary Anning Computing – Grouping Data	DT – Making our vehicle. PSHE – Who can help?

Please note this timetable is subject to change dependent on the children's needs.

Class 3 Quantock News

We had great fun earlier this week exploring the effect of magnetic forces in science - proving that magnets don't need to be in contact with an object to make it move! Our geography lesson on Wednesday proved to be a real 'head scratcher' as we tackled identifying oceans, countries and cities by their coordinates. It was a challenge, but everyone was using the lines of longitude and latitude confidently by the end of the lesson.

If you were able to join us for the open-morning today, you will have spotted the stunning artwork Quantock has produced. These pieces were the culmination of several weeks of exploring different techniques in order to create lovely still-life collages inspired by the artist Cezanne.

Class 3 Quantock Timetable

		girls, periods are a normal part of puberty. Year 4 Define the terms 'secret' and 'surprise' and know the difference between a safe and an unsafe secret; Recognise how different surprises and secrets might make them feel; Know who they could ask for help if a secret made them feel uncomfortable or unsafe.			

Class 4 Bucehayes News

We started this week with our final rehearsals and dress rehearsal for the summer production and then two performances on the Tuesday. I hope you all managed to come and see what was a brilliant performance. The children really responded to having that audience feedback and performed confidently and with great comic timing. So many really standout individual performances from those who clearly love acting and performing to those who were really not too keen on it to begin with, but listened to directions, learnt their lines and stage directions well. Thank you for all your support with line learning and costume creating.

We have also really enjoyed learning more about crumble controllers and further components such as sparkles, motors and light sensors and how to control the input and outputs. These skills will be combined next week into our DT project where they are constructing a fairground ride.

Our Year 6 children are beginning to disappear for transition days now and coming back

really positive and looking forward to moving on to their secondary schools. We have a few more transition days over the next weeks. We will also be having two transition mornings in school for moving on to our new classes.

Bucehayes Class Week Beginning 3rd July 2023

	Monday	Tuesday	Wednesday	Thursday	Friday
Day Events	Maynard transition	Axe Valley Transition	Strike Day		World Chocolate Day
