## Message from Miss Bendall

Dear Parents/Carers,

What a busy week we've had!

Thank you to everyone who volunteered to help with our Cross Country event this week. It was great to see so many people here supporting the children too. There were so many highlights of this event, not only the incredible stamina shown by every child running but the kindness and support they showed to others during this event. So many children excelled themselves in many different ways.

A special mention goes to Oscar in Year 6 who backmarked the entire event meaning he completed the course 4 times in an hour, all with a kind and supportive attitude. Well done Oscar!

Please remember to email the office to book your appointment for the upcoming parent consultations.

We hope you have a lovely weekend - it's a perfect mix of Formula One and Strictly for me this weekend.

See you all on Monday.

Kind regards,  
Miss Bendall

## School Sponsored Run

A huge well done to all the children who took part in last Friday's sponsored run. I was immensely proud of all the effort and determination shown by the children, who as a whole school completed a grand total of 184.66 kilometres or 114.7 miles. That is an incredible effort!

We have a grand total of **£271.50** raised so far for the forest school area, so thank you to all those who raised some money. If you haven't brought your sponsor form and money in, then please do so by **Monday 9th October**.

## Tiny Travels visiting Wednesday 29th November Years R—4

We have booked a company called Tiny Travels to visit Years R-4 on Wednesday 29th November.

Tiny Travels gives children a fully immersive, fun opportunity to learn about cultures around the world. They offer global learning through sensory exploration. Tiny Travels believes in amplifying historically marginalised voices. It is important that children learn about the true aspects of a country and not an idea of what the culture looks like, therefore they have hired women from all around the world to create the resources they will bring to school.

## Cross County

A huge thank you to everyone who volunteered for our Cross Country event on Wednesday and made it such a success. We've had really positive feedback from the schools that took part,

*"It was a fantastic afternoon, brilliantly organised and executed. My children and their parents loved it! Thank you for all the amazing effort it takes to organise such a big event! Your parents bake some fab cakes too! "*

If you are able to help at future please events email:  
stocklandcrosscountry@redstartpartnership.co.uk

## Class 1 Featherlake News

Featherlake have been learning all about their senses this week. They have had citrus fruit in the mud kitchen, dinosaur crunch and they have absolutely loved playing the musical instruments. We had a senses experiment where the children were blindfolded and had to guess the items using their sense of smell and touch, they were very good! In Maths, the children have been teaching Sunflower the dog how to count, Sunflower finds it a bit tricky so the children have made some counting rules to help her. Next week we are beginning to learn about Autumn and seeing if there are any signs of Autumn around our school.

Please note that: the timings of the sessions are not the length of time children are spent in a lesson. This includes continuous provision time/group work after the input has been delivered.

## Class 2 Horner News

This week in geography, we have been making our own 3D maps of the school and grounds. We mind mapped the key features of the school and created our own drawings of the different buildings. To help them stand up, we then made little flaps. See below for some photos of our creations.

## Class 3 Quantock News

Another busy week has passed and we now have the foundations of a replica Roman town in our classroom. The children collaborated brilliantly this week to construct plinths, columns and pediments ready for painting next week. We are almost at the end of our exploration into Roman Britain but we still have our visit to Dorchester Museum next Wednesday to look forward to. We are very excited about seeing real Roman artefacts and buildings at first hand.

We are also very excited about welcoming you all to our first class assembly in many years at the church where we will share some of this term's learning with you and celebrate our core value of kindness. Quantock Class will be leading the collective worship and we hope as many of you as possible will be able to join us. Further details will be sent out in a separate notice.

## Class 4 Bucehayes News

We have had another busy week with Year 5 having their turn completing a set of assessments, through which they persevered and tried their hardest. Year 6 have been learning the maths rules associated with the order of operations and completing some tricky challenges. We have started practicing our performances for our music shadow works and our art shadow puppets. I have included pictures above of the creations of two of the groups so far. We have started our new English unit creating a persuasive holiday brochure about Mexico and have enjoyed looking at some model text examples about Devon, Cornwall, California and Nevada.

# The Elf WHO LOST SANTA CLAUS

Join us this Christmas for a magical, interactive show which will delight the little ones and get you all in to the Christmas Spirit!

**Wed 20 Dec - 11am**

Meet Santa's elves Sparkles, Bumble and Mistletoe. They have been tasked with arranging an afternoon for a very special group people to meet Santa.

Unfortunately, Mistletoe is just being naughty and not taking his job very seriously, Bumble is getting annoyed with Mistletoe and Sparkles forgot to do something which means Santa may not even make it to meet everyone.

**Can you help them to get along and find a way to make sure that Santa arrives in time?**

**Box Office: 01404 384 050**

Ticket includes materials for kids craft activity, a drink and Christmas Cookie for the children.  
Hot drink and mince pie for adults.
