Message from Miss Bendall

Dear Parents/Carers,

I was working with the ACE Trust on Wednesday and it was lovely to receive a message from school to say Class 3 were having a wonderful time on their school trip. The staff who accompanied the class received so many comments from staff at the museum and the general public about how impeccably behaved our children were. Wonderful to hear - and of course we wouldn't expect anything less!

In Collective Worship on Monday, we talked about generosity and how the way in which a gift is given can mean as much as the gift itself. All of our children had brilliant responses to this, however one child in Year 6 explained when a gift is wrapped in love, it means so much more. Wow!

Have a lovely weekend.

See you all on Monday.

Miss Bendall

Tiny Travels visiting Wednesday 29th November Years R—4

We have booked a company called Tiny Travels to visit Years R-4 on Wednesday 29th November.

Tiny Travels gives children a fully immersive, fun opportunity to learn about cultures around the world. They offer global learning through sensory exploration. Tiny Travels believes in amplifying historically marginalised voices. It is important that children learn about the true aspects of a country and not an idea of what the culture looks like, therefore they have hired women from all around the world to create the resources they will bring to school.

Pumpkins for sale

Abi has very kindly offered to sell some of their wonderful home grown pumpkins to raise money for our outdoor area. If you would like to buy one they will be for sale at school pick up on Thursday 19th October.

Donations very gratefully received.

Tesco Stronger Starts—blue tokens

Holy Trinity Primary School, one of the schools in The Redstart Learning Partnership, has been successful in being selected for the Tesco Stronger Starts campaign (blue tokens). Voting is from October 2023 until January 2024 in all six Tesco stores in Taunton. If you are in the area and visiting a Tesco they would very much appreciate your support.

Spooky Halloween Disco

The PTA is arranging a fancy dress, spooky Halloween disco for Friday 3 November. Details to follow next week.

Cross country cake sales

Thank you to everyone who donated cakes, helped sell or eat them for the cross country. The nice weather and great turn out from the other schools meant we sold out and made £170, our best cross country sales yet, to add to the funds.

Class 1 Featherlake News

Featherlake have been learning all about Autumn this week, they started by walking around the school finding signs of Autumn. They collected some natural treasures to make pictures and have also been painting Autumn trees. In Maths they have been learning about the number 3 and learning to count with 1:1 correspondence. Next week we will continue to learn about Autumn and they will be thinking about ways they have changed. Thank you to those who have already brought photos in, we will be using them on Monday.

Class 3 Quantock News

We had a fabulous trip to Dorchester Museum on Wednesday. From the moment we arrived and spotted the enormous Roman mosaic displayed on the wall, we were fully immersed in all things Roman. Activities included: investigating a Roman burial as archaeologists do - unearthing clues about the person who was buried so we could find out whether they were male or female, wealthy or poor, etc.; hunting round the museum for Roman mosaics; researching Roman artefacts in the galleries and exploring the remains of a Roman villa. We managed to cram a huge amount in and, as many people told us throughout the day, the children's behaviour and attitude was exemplary.

Class 4 Bucehayes News

It was lovely to meet all of the parents at our meetings this week and thank you for all of the support that you give your children and the school.

This week in maths we have covered Factors, Multiples and Prime numbers. They have compared aspects of Mexico to England in Geography and are now busy writing the persuasive holiday brochures. We have read about the Day of the Dead celebrations in Mexico and their origins and also learnt about refraction in science and how that can explain how rainbows are formed.

There is lots of excitement around the class about getting ready for their trip to Pixies Holt next week. We will be doing a special lesson on map reading skills in preparation next week.

THANK YOU!

Dear Stockland Primary Academy,

My name is Wotsit, and I am writing to say thank you so much for your donations and raising £16.50 for Ferne Animal Sanctuary! Your kindness will make a huge difference to the lives of my friends and I here and make sure that we always have everything we need to be happy and healthy.

By donating to Ferne, you are making sure that my friends and I will never go hungry and that we will always have a comfy bed to sleep in. You are helping us to get the treatment that we need should we ever get poorly, as well as making sure those of us with long term health problems can live a fulfilled and happy life.

Ferne is a lovely place for us, and I am so happy that you decided to help. Please feel free to come and visit anytime!

Thank you once again.

Best wishes,

Wotsit & friends x

The Elf WHO LOST SANTA CLAUS

Join us this Christmas for a magical, interactive show which will delight the little ones and get you all in to the Christmas Spirit!

Wed 20 Dec - 11am

Meet Santa's elves Sparkles, Bumble and Mistletoe. They have been tasked with arranging an afternoon for a very special group people to meet Santa.

Unfortunately, Mistletoe is just being naughty and not taking his job very seriously, Bumble is getting annoyed with Mistletoe and Sparkles forgot to do something which means Santa may not even make it to meet everyone.

Can you help them to get along and find a way to make sure that Santa arrives in time?
